

# LET'S TALK, READ AND SING ABOUT CARS!

BOOK AND VIDEO RECOMMENDATIONS FOR YOUNG CHILDREN

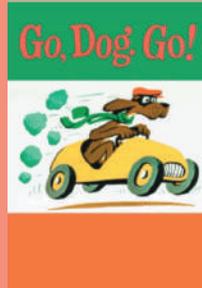

## BOOKS

### Go Dog, Go,

By: P.D. Eastman

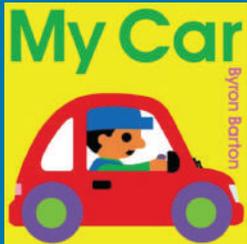

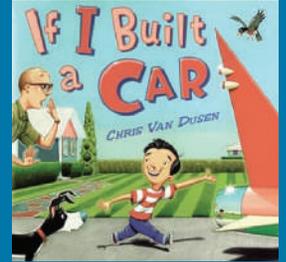

The book is an easy reader, but it's also a fun book to listen to. Preschoolers enjoy all the busy dogs going, going, going in cars... ending up at a big dog party atop a giant tree.

### If I Built A Car

By: Chris Van Dusen

If you've got a preschooler who loves to create with legos, this book is a must. We love this book about a boy who dreams of the car he would build. From a backseat pool to an automated snack bar, it's every kid's (and parent's?) dream.

### My Car

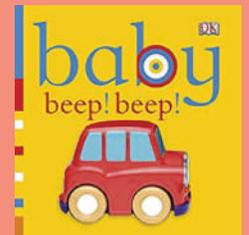

By: Byron Barton

This book explores transportation, the parts of a car, signs and signals, night and day, community, and occupations. Bright, graphic artwork invites readers to count, name colors and shapes, and follow Sam and his car as they drive through a bustling world from Sam's home in the country to his job in the city.

### Baby beep! beep!

By: Dawn Sirett

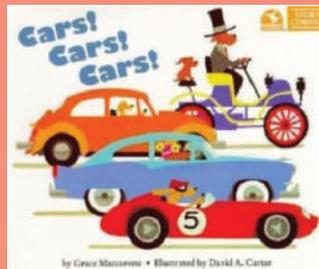

From cars to airplanes, baby will learn about all kinds of things that go in Baby: Beep! Beep! Perfect for reading aloud and encouraging early word recognition, these chunky board books are just right for babies who love to explore shape and texture.

### Cars, Cars, Cars

By: Grace Maccarone

This simple little book is it fun to read, it will teach about opposites, colors, and numbers.

## MUSIC

### Sing along with your child in the sunshine!

Singing together can boost children's early brain and language development. So we've partnered with Spotify to create fun music playlists for everyday family moments. Have fun singing along with your child while going on a drive or taking a walk in the sunshine!
