Did you know? You can teach your little one early math concepts by talking about clothes! Count the socks in the laundry basket, then find the matching pairs! For more early math tips, visit Too Small to Fail's Highlights guide: <http://talkingisteaching.org/resources/highlights-guide>

Twitter

Talk with your little one about clothes when you get dressed in the morning. You can say, "Today is cold! We are both going to wear our jackets so that we stay warm." #LetsTalkClothes #TalkingIsTeaching

Talk about the colors of clothes with your child. You can say, "Your shirt has blue and yellow stripes. Do you have any other shirts with stripes?" #LetsTalkClothes #TalkingIsTeaching

Halloween is a great time to encourage imaginative play! Playing dress up with your little one can spark imagination and teach him or her how to take different perspectives and learn to empathize with others. Learn more: <http://talkingisteaching.org/resources/lets-talk-about-art>
