When you talk to your little one about colors, you are helping to grow her vocabulary and boosting her early brain and language development! #TalkingIsTeaching [Let's Talk About Color Graphic]

Let's talk about fall! Go on a walk outside with your child and talk about the changing colors of the leaves. #TalkingIsTeaching

Let's make art! Give your little one age-appropriate materials like paper and crayons and have fun as you create art together! Ask him questions about the colors he uses. You can say, "I see that you used a lot of orange here. Why is that?"
