

EVERYWHERE YOU GO, TALK ABOUT WHAT YOU SEE.

A BANANA, a BOX OF CEREAL or a SHOPPING CART might be boring to you, but it's a whole new world to your baby. Teach your baby by describing what you see and do every day.

TOGETHER YOU CAN:

- ★ Read words and sound out letters on all the boxes and bags you see
- ★ Point to everyday objects and say their names
- ★ Hunt for colors and shapes as you explore the aisles
- ★ Pick up fruits and vegetables and see how heavy they are and how they feel
- ★ And much more

IT'S FREE, EASY AND SOMETHING YOU CAN DO ANY TIME.
